Professional Responsibilities

School Ethos

Work with colleagues in creating, inspiring and promoting excellence at all levels.

Uphold the culture and ethos of the Trust, ensuring school environments for teaching and learning that empower both staff and children to achieve their highest potential and be their best selves.

Attend and participate in events intrinsic to the daily life of the schools and Trust, celebrating success at every opportunity.

Actively support the Trust's policies relating to equality and diversity, inclusion and safeguarding, health and well-being, confidentiality and social networking.

Key Responsibilities

Strategic Direction and Development

Work with colleagues to develop and implement policies and practices for the subject which reflect the Trust's commitment to high achievement, whereby students are inspired to reach their potential and staff aspire to continuously develop and raise standards, setting stretching targets for students and staff

Working closely with the Headteacher and the subject team to establish a clear, shared understanding across the Department of the importance of high-quality teaching that engages students and enables them to aspire to and achieve stretching goals

Work with the subject team to develop and embed a KS3-KS5 curriculum that challenges all and prepares learners for their next steps.

Analyse data, ensuring effective progressive plans are in place for individual and group of students

Ensure data analysis results in effective action plans that are well communicated and understood, monitored and evaluated, resulting in appropriate outcomes.

Teaching and Learning

Ensure curriculum coverage, continuity and progression in the subject for all students, including those of high ability and those with special educational or linguistic needs

Plan and deliver well-structured, engaging Maths lessons that follow the school's curriculum and schemes of work

Assess, monitor, record, and report on the learning needs, progress, and achievements of assigned pupils, making accurate and productive use of assessment

Set high expectations that inspire, motivate, and challenge pupils to achieve excellence in Maths

Promote exceptional progress and outcomes for all pupils in Maths

Demonstrate excellent subject and curriculum knowledge in Maths

Ensure teaching and learning is of a consistently high standard and that best practice is shared across the department

Develop and implement appropriate teaching and learning methods to meet the needs of the subject and of different students, including the allocation of students to teaching groups

Ensure effective development of students' literacy, numeracy and information technology skills using our up-to-date facilities

Use clear policies and practices for assessing, recording and reporting on student achievement at an individual and group level, utilising this information to recognise achievement and to assist students in setting stretching targets

Ensure that information about students' achievements in previous classes and schools is used effectively to secure good progress in the subject

Provide students with clear direction, expectations, guidance and support, constructive feedback and targets in relation to standards of student achievement and the quality of teaching; establish clear targets for student achievement, and evaluate progress and achievement in the subject by all students, including those with special educational and linguistic needs;

Ensure effective development of students' individual and collaborative study skills necessary for them to become increasingly independent in their work and to complete tasks independently when out of school

Enable students to become independent learners who challenge themselves to enhance their skills beyond the curriculum and the classroom

Establish a partnership with parents and carers to involve them in their child's learning of the subject, as well as providing information about curriculum, attainment, progress and targets

Develop effective links with the local community, including business and industry, in order to extend the subject curriculum, enhance teaching and to develop students' wider understanding.

Whole-school Organisation, Strategy, and Development

Contribute to the development, implementation, and evaluation of the Trust's Maths-related policies, practises, and procedures to support the school's vision and values

Make a positive contribution to the wider life and ethos of the school

Work collaboratively with colleagues and other relevant professionals to secure coordinated outcomes for pupils

Form Tutor Responsibilities

Complete the register accurately

Monitor attendance and punctuality, including follow-up

Monitor standards of dress and personal appearance and address any issues as they arise

Escort groups to assembly and (normally) attend assembly

Responsible for the co-ordination reports and other records

Respond to disciplinary problems as required, referring serious misconduct to the Head of Key Stage as appropriate

Share information from the Head of Key Stage to the tutor group in a prompt manner
